LifeWay | Worship

Welcome to CMS 2011-2012:

Here is everything you need for your children's choir . . . now more affordable than ever! Conveniently designed for **one yearly release**, *CMS The Big Picture* can be purchased now and used **all year long**.

CMS The Big Picture explores new adventures with high energy songs and games while making and playing instruments. The children will also enjoy the different art projects, stories, and dramas. You'll find great **new songs**, popular **praise and worship** songs, **new hymn arrangements**, and tons of activities. Through the arts, kids will have a blast discovering how they were made in the image of God.

The Big Picture, will help children learn that they were created to **CONNECT** with God, **SERVE** each other with their talents, and **SHARE** Christ and His good news with the world.
